## The County People Place...

Gazette photo submitted

**The Taste of community**— At the seventh annual *Taste!* celebration late last month, a farmer's market was started by the economic development office and Taste the County to support local producers and benefit the Picton United Church County Food Bank. With 10 participating vendors donating products to sell, some \$1,000 in funds and \$500 in food were donated to the food bank. Pictured, from left, are Katherine Minaker (Black River Cheese), Muriel Rabbie (Sunset Farms), Grace Nyman (Taste the County), Matt Rabbie (Sunset Farms), Pat Romkey (Picton United Church County Food Bank), and Margaret Berwick (Berwick Apiaries).
